Encounter baseplates: one per group

✂ cut along the dashed lines

Encounter Composition

The template: everything stands on this baseplate

TEMPLATE NAME

HOW TO BUILD
Everything stands on what it belongs to.
Higher up = deeper in the template.
One free stud between two parts of the form.

ENCOUNTER: ONE CONTACT WITH THE PATIENT
Saved as one record (a composition), always with:
Who filled it in (composer)
When and where (start time, care setting)
Language and territory
